

## POSTER GUIDELINES

---

### Poster Specifications

- ▶ **A Poster Area** is available for poster presentations at the 5th floor of the venue, next to the plenary hall.
- ▶ The posters will be displayed according to the scientific programme on appropriately numbered boards.
- ▶ **The dimensions of each poster should not exceed 90 cm wide and 120 cm (max) high.**
- ▶ **You can add on the upper right corner of your poster your portrait photo so that the other participants can identify you and be able to discuss about your results even when you are not in front of your poster** (the size of a business card for the photo would be adequate).
- ▶ The Posters are presented in printed form. You are requested to bring your own Poster to the Conference Venue.
- ▶ Accepted Posters must be presented under the topic to which are indicated in the programme.
- ▶ Each Poster board will be numbered according to the poster paper number.
- ▶ Presenting authors are kindly asked to mount and remove their posters according to the indications and the timetable below.
- ▶ Please note that in any case, a colleague from the technical secretariat will be at the conference venue to assist you, should you need anything further.
